

PACRONYMS

This alphabetical list of acronyms, abbreviations, initials and common names of Illinois political action committees (PACs) was prepared to help researchers readily identify committees when their full names are not disclosed on campaign finance reports.

The list includes the PACRONYM, full committee name, city and state of its address, state or local I.D. number, and in some cases the name of any sponsoring, connected or affiliated organization (if not readily identifiable from the full committee name). Committees that have filed a Final Report may appear on the list as “inactive”. Unless otherwise noted in the full committee name, the acronym “PAC” refers to “Political Action Committee.” There is also an appendix included which lists other acronyms commonly used in committee names.

The idea for PACRONYMS came from the Federal Election Commission, and the Washington Public Disclosure Commission – which, in 1990, published a list of acronyms of state political committees filing under Washington state law.

Comments, corrections or additions should be forwarded to the Illinois State Board of Elections, Campaign Disclosure Division, at 217/782-4141 or by e-mail to webmaster@elections.il.gov.
